Job Competition Kennel Technician

Position: Kennel Technician

Department: Kennels

Reports To: Supervisor of Animal Care

Date Posted: August 20, 2024

Position Type: Full-time

Status: Permanent

Wage/Benefits: per CBA

Closing Date: When filled

POSITION SUMMARY

As a key member of the Animal Care team, the Kennel Technician is accountable to provide high-quality daily care for Shelter animals, ensuring they receive proper handling, care, and nutrition in a safe and sanitary environment. In support of organizational and departmental goals, this role is responsible to ensure that the facility and equipment are regularly cleaned and sanitized, and to aid with the safe and timely movement of animals from intake to exit. The Kennel Technician is also responsible to ensure all documentation is completed and kept current, and that work is performed in a safe, efficient, and effective manner in accordance with RHS policies and procedures. Additionally, the individual in this role aids other operational areas as required (i.e., Receiving, Adoption Services, and Cremations).

PRIMARY RESPONSIBILITIES & ACCOUNTABILITIES

In accordance with RHS's objectives, philosophies, policies, and procedures, the Kennel Technician is responsible for the following:

1. Supporting corporate and departmental goals.
2. Demonstrating a culture of teamwork, compassion, professionalism, and customer service.
3. Overseeing the care of animals to ensure their safety, care, and treatment.
4. Cleaning and performing sanitation duties for the animal housing and care areas, and ensuring they are maintained in an organized, sanitary, and safe condition.
5. Feeding animals as per written or verbal directions.
6. Administering prescribed treatments to animals as directed.

PRIMARY RESPONSIBILITIES & ACCOUNTABILITIES *(continued)*

7. Performing animal care duties including, but not limited to: grooming, exercising, and socialization.
8. Assisting with the delivery of environmental enrichment.
9. Ensuring all animals are appropriately cared for according to RHS' standards and protocols.
10. Monitoring and accurately documenting animal health, behavior, well-being, and other pertinent information.
11. Safely and efficiently moving animals to, from, and within animal housing areas and other locations.
12. Adhering to safety protocols, procedures, and expectations.
13. Participating in Occupations Health and Safety related initiatives.
14. Raising safety-related concerns immediately.
15. Stocking the animal housing and care areas, and ensuring inventory levels are regularly maintained.
16. Cleaning, disinfecting, and maintaining equipment and supplies, and following safe handling directions.
17. Assisting other areas and team members within the Veterinary Care department as needed (i.e. cleaning, cremations, animal handling, and behavioral assessments).
18. Assisting the Operations department team members as necessary (i.e. Receiving, Lost and Found, Adoptions).
19. Assisting team members, new employees, and volunteers with training, learning, orientation processes, and other programs as needed.
20. Receiving, sorting, itemizing, and coordinating storage and use of donated items.
21. Assisting with the maintenance of quarantine protocols as necessary.
22. Ensuring all necessary equipment and supplies are ordered, stocked, and in good repair.
23. Fostering and maintaining good working relationships with team members across the Organization, external stakeholders, and volunteers.
24. Regularly meeting with the Supervisor of Animal Care.
25. Participating in staff meetings.

PRIMARY RESPONSIBILITIES & ACCOUNTABILITIES *(continued)*

26. Additional responsibilities as required.

QUALIFICATIONS

Education

- Grade 12 diploma or the equivalent.
